Battalion "*Lone Sentinel*"

SUBJECT: Welcome

It is a distinct honor and privilege to **Welcome** you to the "*Lone Sentinel*" battalion. My wife Julie and I are thrilled that you have selected Fort Carson as your home and even more excited that we have the opportunity and good fortune to add you to the roll of members in the 759<sup>th</sup> MP Battalion Family.

We are dedicated to making your time with the 759<sup>th</sup> MP Battalion an extremely positive and enlightening experience. **The vision for this great outfit is to ensure the 759th MP Battalion is a high-performing unit, professional, expertly trained, and ready to fight and win anytime, anywhere, under any condition. We will accomplish this by never forgetting that the most precious resource in this Battalion are its soldiers and our families. Our guarantee to you, is that we will create an environment that makes you proud of your individual unit, your leaders, and in yourselves. By doing this, the positive environment in which we all serve will help create the conditions for highly motivated, disciplined, confident, physically fit, mentally tough, and morally straight soldiers, civilians, and family members.**

Fort Carson is a wonderful place to live, work, and serve. It offers every opportunity to have fun, build meaningful relationships, and for the soldiers, to train harder than they have ever trained before. Again, we are thrilled that you have joined our ranks and on behalf of every soldier, family member, and civilian worker welcome to Fort Carson, the Lone Sentinel Battalion, and the 759<sup>th</sup> MP Battalion Family.
